Dear Friends,

As many of you may already know, we are in the process of trying to obtain property, build a new firehouse and fund our new first responder program as well as continue to upgrade our equipment to provide the best possible services to the residents and visitors of our town. In order for us to accomplish these goals, it is essential for us to do fundraising. We are trying a new idea and that is to let you know of our plans for 2008 and give you the opportunity to plan your year and help us with our fundraising. Please take a few minutes to review the events for 2008, fill out your order, make your check payable to the Montague Fire Department and return to the address above. We thank you in advance for your continued support.
